CHAPTER I: POLICES AND PROCESS REDESIGN.....	15
Computerized Prescriber Order Entry (CPOE) Policy	16
Prescribers and Affiliate Staff	16
Medical Orders and Service Requisitions	17
Visits.....	19
Admission Discharge Transfer and Pass	20
Temporary Patient Locations.....	31
To put a patient in a temporary location.....	31
To return a patient to his/her 'permanent' location.....	32
Order Session Types.....	33
Take Home Medications	35
Medication Charting	37
Specimen Collection.....	38
Major points of change.....	41
Non-NIH specimens and Non-patient specimens.....	58
Transfusion Reactions.....	61
Consults	62
Isolation	63
Miscellaneous Information	69
Basic Windows Skills	69
Nursing Care Plans	69
Date and Time Displays.....	69
MIS-O Grams	69
Volunteer Voucher Form	70
CHAPTER II: SECURITY AND CONFIDENTIALITY	72
How to Obtain a CRIS Code.....	73
CHAPTER III: GETTING STARTED.....	74
Log on to CRIS.....	75
Steps to log on to CRIS	75
Log off CRIS.....	75
Steps to log off of CRIS.....	75

Automatic Logoff	76
Change Your Password	76
Steps to change your password	76
Online Access to Help and Documentation	77
Help Topics from the Help menu.	77
What's This Icon	78
Access the User Guide from the Online Help	78
CHAPTER IV: SCREEN COMPONENTS	80
Title Bar	81
Menu Bar	81
Toolbar	81
Patient Header	81
Expanded Header.....	81
Patient List	82
Chart Sections (Tabs)	82
Columns	82
Patient Data Screens	83
Status Line	83
CHAPTER V: WORKING WITH PATIENT LISTS	86
Patient List	88
Refresh	88
Select Patient Charts	88
Select one patient's chart:	88
Select multiple patient charts:	88
Deselect all but one patient:	89
Use Flags to Track New Patient Information	89
The Flag New Column.....	89
Steps to turn flags on or off:.....	89
Track New Results	90
Steps to track new results	90
Track New Documents	90
Steps to track new documents	90

Track New Orders	91
Steps to track new orders.....	91
Track Alerts	92
Steps to track new unacknowledged alerts.....	92
Track Orders That Need Verification	93
Steps to track orders that need verification:.....	93
Tracking Orders That Need a Signature	94
Steps to track orders that need a signature.....	94
Find Patients and Show Visits	94
Find a patient not on a list.....	94
Create Your Own Patient Lists	95
Create patient lists where you define the criteria.....	95
To begin setting the criteria for your list.....	96
Name criteria-based lists.....	96
Modify a criteria-based list.....	97
Create temporary lists.....	97
Create lists of specific patients.....	97
Create a new special patient list.....	98
Remove patients from a special list.....	98
Add a patient to an existing special list.....	99
Replace patients on an existing special list.....	99
Delete a patient list.....	99
Personalize Your Patient List View	99
Column selection.....	99
Sorting Columns.....	101
 CHAPTER VI: RESULTS	 102
Results Tab Overview	103
Filters	103
View Control Panel (Filter) Definitions.....	104
Working with Graphs.....	107
Remove Filter.....	109
New Results	109
To view new results from the Results tab:.....	109
View Abnormal Results	110
To display abnormal results only from the Results tab:.....	110
Viewing Expanded Results	111
Symbols	113
Re-order from Results Tab	113

Personalize Your Results View	114
Change and save time scale for viewing results.....	114
Creating a temporary result selection filter	115
Setting your preferences for viewing results.....	115
CHAPTER VII: VIEW ORDERS	118
Orders Tab Overview	119
To display the Orders chart section:	119
Filters	120
Orders Tab View Control Panel (Filters) Definitions.....	120
Apply filters	121
Remove Filter.....	123
New Orders	123
Symbols	123
View Order Details	124
Reviewing Order Sets	124
Reviewing the Status History of Orders	124
Personalizing Your Orders View	125
Creating a temporary Orders selection filter	125
Setting your preferences for viewing results.....	126
CHAPTER VIII: ENTER AND MAINTAIN ORDERS	128
Priority	130
Service Requisitions	130
Order Entry Worksheet Overview	130
Review allergies.....	131
Enter orders as a Prescriber	131
Enter orders on behalf of a Prescriber	132
Date and Time.....	132
Session type	132
Hide Worksheet button.....	133
Find Orders and Order Sets	133
Manual Entry	133
Start of Browse.....	134
Find Order Sets	135
Alerts and Warnings	136
Recommendations for Ordering and Reviewing Current Orders, Future Orders, and Take Home Medications in CRIS	138

Order for Today Outpt/Current Inpt.....	138
Review Orders for Today Outpt/Current Inpt.....	139
Order for Future Outpt/Pre-Admit.....	140
Review Orders for Future Outpt/Pre-Admit	144
Ordering Take Home Medications.....	145
Review Orders for Future Outpt/Pre-Admit	146
Entering Orders	147
Edit or delete an order before submitting	148
Enter Order Sets	149
How Order Sets Work.....	149
Working with Order Sets.....	150
Processing Order Sets.....	150
Alerts, Warnings or Errors When Processing Order Sets	151
Changing the Date for Order Items in an Order Set	151
Department Specific Orders	153
Critical Care Medicine.....	153
DASS	154
Laboratory	154
Nursing	159
Nutrition	159
Imaging Sciences/ Radiology Orders.....	161
Respiratory Therapy.....	169
Social Work.....	170
Medication Orders.....	171
Overview of medication orders.....	171
Take home medication orders	173
Add an additive to an IV solution order.....	174
Delete an additive from an order	175
Enter a variable-dose medication order.....	175
Calculate a dosage for a medication order	177
Change a calculated dose	179
Changing the patient's height or weight for a calculated dose	180
Non-Formulary Medications.....	180
TPN.....	181
Scheduled Meds	182
PRN Medications.....	182
Dispensing Medications	183
Special Orders.....	184
Conditional Orders	184
DNR and Code Orders.....	186
Isolation Orders.....	188
Repeat Orders.....	190
Future Orders (Hold).....	191
Serial Specimen Ordering, Label Printing, and Collection.....	194
ADT Orders (Pass, Transfer and Discharge).....	196
Discontinue/Cancel orders	197
To discontinue/cancel a single order.....	197

To discontinue/cancel multiple orders	198
Activate Conditional Orders.....	199
To activate a conditional order	199
Release Orders	200
To release a single hold order	200
To release multiple hold orders.....	201
Complete Orders.....	202
To complete an order	202
Suspend and Unsuspend Orders.....	203
To suspend an order	203
To unsuspend single orders	203
To suspend or unsuspend multiple orders.....	204
Sign Orders.....	204
To sign orders.....	205
To view additional details about the orders to be signed.....	206
To view more information about items within an order.....	206
Verify Orders	206
To verify orders	206
To view additional details about the orders to be verified	207
 CHAPTER IX: VIEW DOCUMENTATION	 209
Documents Tab Overview.....	210
Documents Chart Section	210
View new documents from the Documents tab:	211
Filters – Documents tab	211
Definitions.....	211
Apply filters	212
Remove Filter.....	213
New Documents.....	214
View Document Details	214
View Corrected Documents	214
View Status History of a Document	215
Personalizing Your Document Tab View.....	216
Change and save time scale for viewing Documents	216
Creating a temporary document selection filter.....	216
Setting your preferences for viewing Documents	217
Observation Tab Overview.....	219

Filters – Observation tab	220
Viewing Observations from the Observations tab	221
Viewing the Status History of a Flowsheet	221
Graph Flowsheet Data.....	222
CHAPTER X: ENTER AND MAINTAIN DOCUMENTS	225
Document Entry Worksheet	226
Select documents.....	226
Enter Free Text Notes.....	227
Edit un-submitted documents.....	228
Delete an un-submitted document	228
Enter Flowsheets	229
To open the Flowsheet Manager from the Document Entry Worksheet:	229
Add a new column of observations.....	230
Change the date or time of the Flowsheet Column	230
Documenting in a flowsheet.....	231
Add a comment to a flowsheet.....	231
Edit observation values	232
Cancel Observations	234
Edit Submitted Documents	235
Documents Available in CRIS by Department are provided on the next three pages.	235 □
CHAPTER XI: VIEW PATIENT INFORMATION.....	239
Scope of Data Entered.....	240
Patient Information Tab	240
Patient Info Chart Section	241
View Alerts.....	242
View Allergies and Comments.....	243
To view an allergy:.....	244
To view a comment:	244
To view allergy history information:.....	245
View Care Provider Information	245
View Health Issues	245
View Significant Event Information.....	247
View Addresses, Phone Numbers and Contact Information	247
View Demographic and Visit Data Information	248
View Visit History Information	249
The Summary Chart Section.....	249

CHAPTER XII: ENTER AND MAINTAIN PATIENT INFORMATION 251

Patient Information Data Entry Overview252

Maintain Allergy Information252

To add an allergy	252
To edit an allergy	252
To discontinue an allergy	253
To delete an allergy.....	253
Needs Allergy Assessment	253
Mark Allergies Reviewed	255

Maintain Care Provider Information.....256

To add a new care provider to a single patient	256
To add yourself to the list of active care providers.....	256
To discontinue a care provider	257
To delete a care provider	257

Maintain Comment Information.....257

To add a comment	259
To edit a comment	259
To discontinue a comment	259
To delete a comment.....	260

Maintain Height/Weight Information.....260

Maintain Significant Event Information.....260

To add a significant event	262
To edit a significant event	263
To discontinue a significant event	263
To delete a significant event	263
Enter consent information as a Significant Event.....	264
Enter isolation status as a Significant Event.....	264
Enter VAD line history as a Comment.....	265

CHAPTER XIII: WORKLISTS 267

Overview268

Charting Medications.....270

Document a scheduled medication as given	276
Document a scheduled medication as not given	277
Change the schedule for a scheduled medication.....	278
Resetting the medication status (Unchart a dose).....	279
Documenting multiple medications administered at the same time	280
Activating a conditional order from the Worklist	281
View the status history of a task.....	283
View the modification history of a task.....	284

Setting Worklist Filters.....284

To change from the 24 Hour Worklist to one of the pre-defined worklists selections.	285
Limit your worklist view to medications with certain schedule criteria.	285

Limit your worklist to medications with specific statuses.....	286
Change the time columns display based on the actual time a dose was charted.	286
Working with multiple patients on the worklist	288
Charting ADT Orders	289
CHAPTER XIV: REPORTS	291
Reports Overview.....	292
Selecting a Report to Print.....	295
To select a report to print:	295
Previewing a Report	296
To preview a report:	297
Re-Print Order Requisitions	297
Re-print order Requisitions	298
Print Admissions Labels	299
To print and admissions labels	300
CHAPTER XV: DOWNTIME PROCEDURES	303
Purpose.....	304
Background	304
Policy.....	304
Attachments	304
Guidelines	306
Backup Processes for Unavailability of Electronic Clinical Systems	306
1.0 Scheduled System Downs -No User Access to CRIS Core & No Printouts.	306
1.1 Down Preparation- Clarification of Roles	306
2.0 Schedule System Downs -No Interface Transactions	308
2.1 Communication of Down Time.....	308
2.2 Time Coordination.....	309
2.3 Notification To Ancillary Departments Of Proposed Down Time.....	309
3.0 Conversion to Use of Manual Documentation and Communication Forms for Prolonged CRIS Down	309
4.0 MIS System Downs.....	310
4.1 CRIS Impact when the MIS System is down and CRIS is operational.....	311
5.0 Unscheduled System Downs	311
5.1 Down Initiation	311
5.2 Communication of Down Time.....	311
5.3 Conversion to Use of Manual Documentation and Communication Forms For Prolonged CRIS Down	312
6.0 System Descriptions, Responsible Parties and Customer Impact.....	313

CHAPTER XVI: REMOTE ACCESS	333
NIH Campus Access.....	334
Non-NIH Campus Access (Access from Home).....	334
CHAPTER XVII: PROTOCOL MANAGEMENT	335
Protocol Consent Form Management in CRIS	336
Definition of Terms.....	336
Description of the New Process.....	337
Placing a New Patient on a Primary Protocol or Changing a Primary Protocol:	337
Placing a Patient on a Secondary Protocol:	338
Protocol and Consent Information in CRIS	338
Viewing Protocol Information, Protocol Status and Consent Form Management in CRIS:	338
Explanation of Terms on the Health Issues Screen.....	340
CRIS Documentation of Protocol and Consent Status	341
Primary Protocols.....	341
Placing a Patient on a Secondary Protocol.....	343
Removing a Patient from a Protocol.....	344
Viewing "Inactive Protocols"	346
Placing a patient on a protocol special exemption.....	346
Protocol and Consent Status Reports	347
APPENDIX A: CRIS TOOLBAR ICONS	349
